1) **PRE-PAID PHONE CARDS**

The pre-paid phone cards allows the customer to prepay for intrastate and interstate long distance calling time. The cards are initially sold with 60-minutes of calling time set for each card. The cardholder accesses the pre-paid time by dialing an 888 number identified on the back of the phone card. The cards are not rechargeable (*NOTE: For the future, we will have a Custom Card Program. The sole purpose will be fundraising for different organizations, schools...etc., and those cards sold will be rechargeable at a cost to be determined. Part of those proceeds will go directly back to the organization.) The cost for a pre-paid phone card will be \$20.00 for a 60-minute phone card, which amounts to 33.33 cents per minute.

The long distance service allows intrastate and interstate access for Idaho residents and businesses. There is no sign-up fee, and no monthly service fee. The rates are 24 hours a day, 7-days a week. The rate for long distance service will be 11.9 cents per minute interstate, and 13.2 cents per minute intrastate. (For customer service, please call (800) 437-1140.)
